LOOKS LIKE WE MADE IT

This year's yearbook staff chose the words, "Looks Like We Made It," to express our feelings for this school year in hopes that you would feel as if this book were truly yours. We chose You, the Conrad Student, as the main theme, to focus on the students of Conrad High.

You, as Seniors, are finally finished high school. Some will go on to college to further their education while others will be working for a living. It's been a long and hard twelve years, but looks like we finally made it.

You, as Juniors, prepare for your final year of high school. For some it's selecting which college to attend, but for others it's getting credits together in the hopes of receiving a diploma.

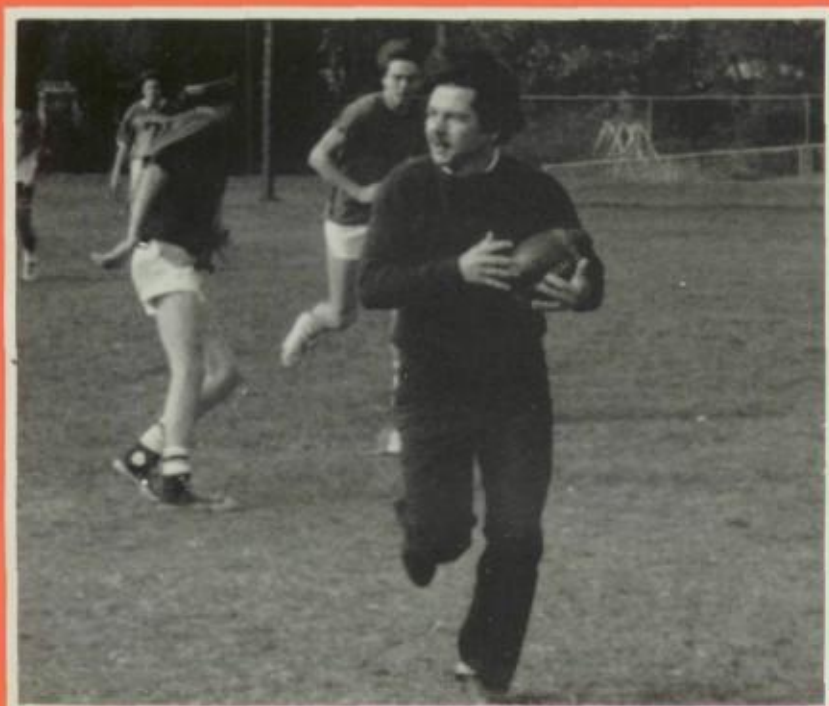

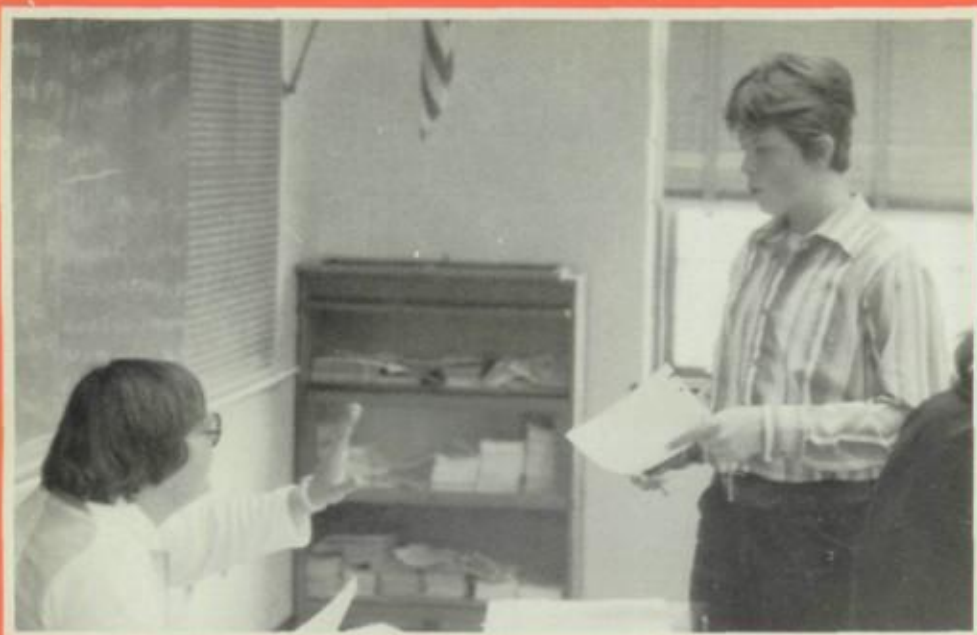

LOOKS LIKE

You, as Sophomores, have finally made it to high school, where you can start making important decisions for your future. Tenth grade is a whole new experience with elementary and junior high gone; but, in these next three years, there will be excitement you'll always remember.

WE MADE IT

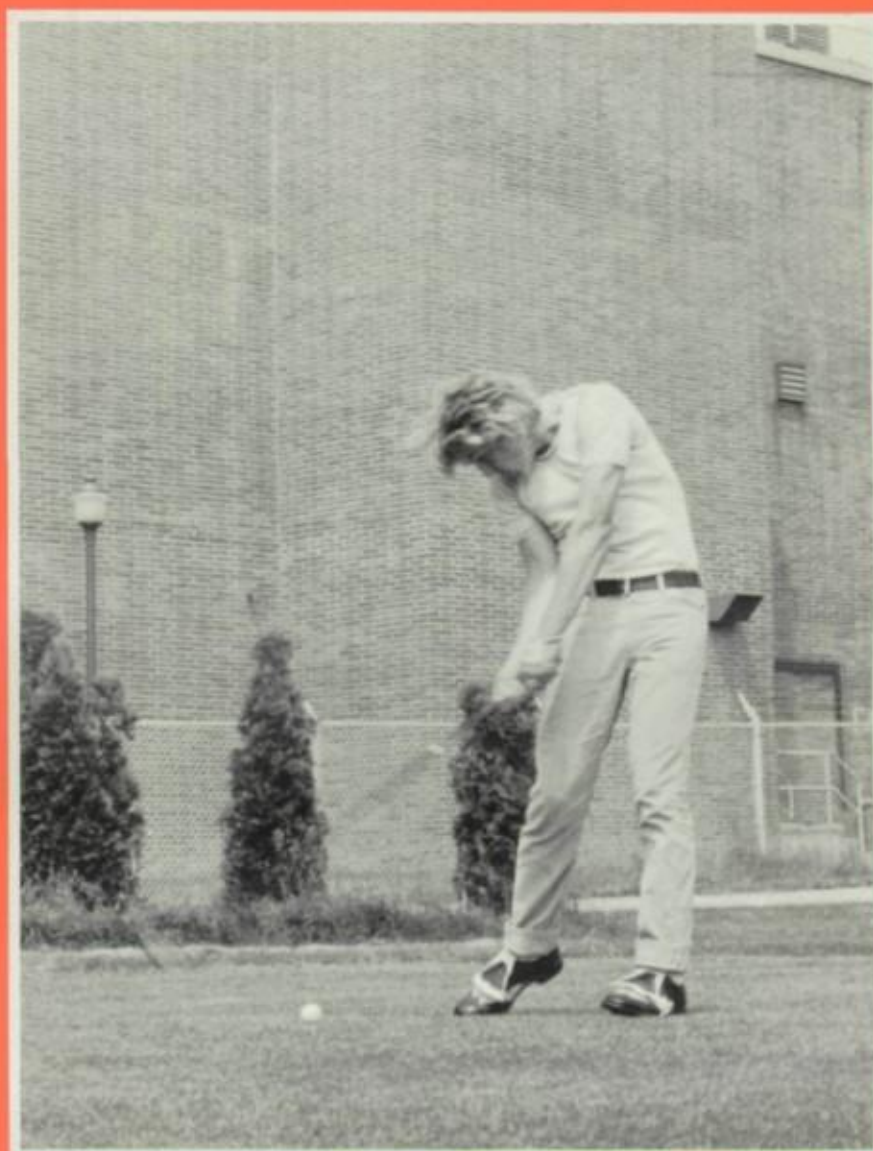

You, as Staff Members, have developed programs on a limited budget. Teaching oversized classes and changing attendance procedures have made this year a difficult one for you. The after-hours bookkeeping of grades and attendance and the uncertainty of your future doesn't seem to make it worth while. Then, to see the students making progress through your efforts, certainly outweighs any bad points of being a faculty member.

You, as Students, have worked hard to make a name for yourself. During the school year, you have tried to stimulate more school spirit, which was almost impossible with talk of the changes that may occur here at Conrad High next year.

You, as Team Members, have stayed after school through long, hard practices preparing to represent Conrad's teams. Even though some of the games were tough, the battle was well worth your effort.

The Conradian Staff applauds the efforts of all Conradians. The Conrad High we used to know is to become a different Conrad High. In June of 1978, we look back at the Seniors and Juniors and Sophomores and the Staff and Students and Teams and say: "Yeah! We're here! Looks like we made it!"

LOOKS LIKE
WE MADE IT

FACULTY

Another year has come and gone,
And with it another class,
All the laughter and all the tears,
This year's gone by so fast.

But . . .

Here we are by ourselves again,
Considering our efforts and what might have been.

As the building empties and the kids are gone,
There are memories now of way back when,
And a feeling which still lives on.
So school's out in the summer heat,
But these halls will soon resound with feet.

'Cause fall is coming. We'll do our bit,
Until we say again, "Looks Like We Made It!"

SENIORS

When you really look back,
It doesn't seem that long.
All your friends were with you,
But now where have they gone?
Some may keep in touch.
Others drift apart.

But . . .

Somehow, these 12 years you'll never forget.
Good times, bad times . . . they'll always be there.

As you went up to receive the diploma,
You looked back and reminisced:
All the real good times with your friends——
Now you wish they had never come to an end.

Some can't find the words to fit.
Others simply say: "Looks Like We Made It!"

ACTIVITIES

Whether your talent is musical
Or if cooking is your bag,
There's an activity to get into
Where the work is fun, not a drag.

BUT

You will also have an experience
To use in your future years.

It could help you find a job or two
With the last day of school so near.
Although it's a school activity,
It's really a part of you.

When you find the one to fit,
You'll join the group to say, "Looks Like We Made It!"

SPANISH CLUB

Maureen Obando

Hi!

My name is Maureen Obando and I am from Costa Rica. I arrived December 16th through a program called "Open Door"; and I am returning February 25th. Upon leaving, I hope to have a better knowledge of English, since I intend to major in English at the University of Costa Rica.

Education in Costa Rica is very different. I must accept all subjects I am given. I have to study more since there are 12 subjects per year. I may choose very few on my own.

We don't have such a fast-paced life, and we can stop for a moment in order to think about ourselves and others. Perhaps that is why we have a happy spirit. I have seen few here. But, I like Delaware and its people, and I hope that God permits me to return soon.

Thanks for accepting me and giving me memories I will never forget. All the happy moments that I have had here will remain in my heart and in my life.

Hasta Pronto!

See you soon!

Maureen

The Spanish Club's 50 members are enrolled in Spanish or have some knowledge of the language. The main event is the "fiesta," the breaking of the pinata, and the singing of christmas carols.

The students hear Spanish-speaking natives talk about their homeland.

Students enrolled in Spanish from Conrad can also visit Spanish-speaking countries by participating in either the Delaware and Panama Exchange or the Open Door.

Toward the spring, a field trip involves dining at an authentic Spanish restaurant.

JUNIORS

You have just one more year.
Then you will be on top.
Will you go up with courage?
Or will you go in fear?
It doesn't really matter
Because the next is your last year.

But

One more year of work and exams,
Then you'll be on your way,
On the road where you're all alone
Where no one gives you a hand.

As you think about years in the past,
You begin to hesitate.
You say to yourself, "They went by so fast,"
But then it's all too late.

You're here and there you sit,
Waiting for the words, "Looks Like We Made It!"

SPORTS

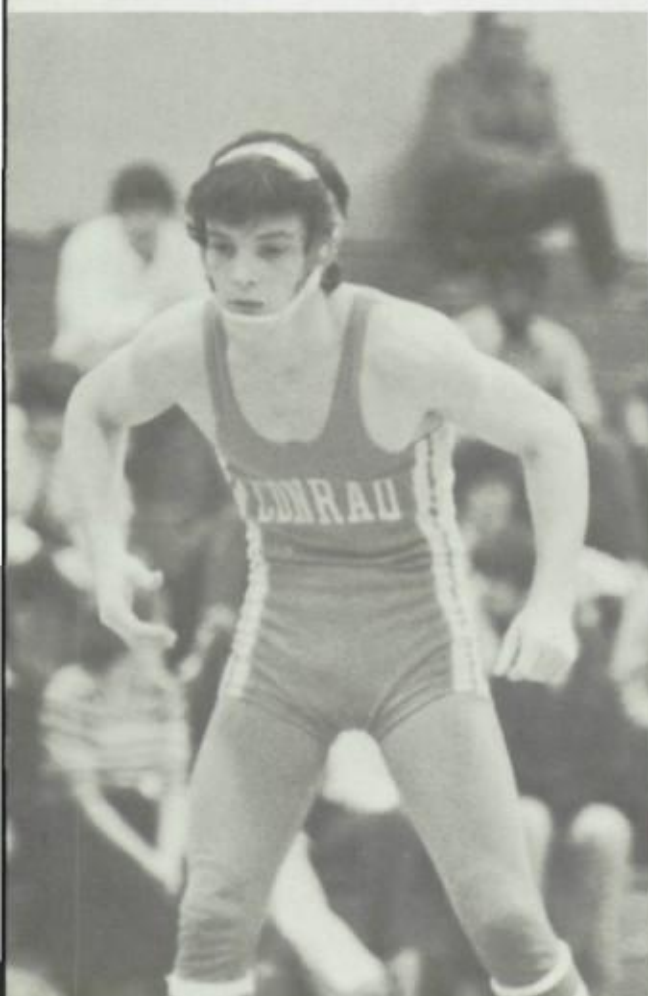

Football, hockey, soccer in the fall,
And then there's wrestling and basketball.
We participate to make Conrad #1.
We don't always win, but we have a lot of fun.

BUT

There's baseball in the spring
And then there's track.

Golf, tennis — a hole in one!
All matches are quite tough.
The hard practices we'll never forget,
Aching bones, tired feet, and sweat.

We all worked hard and never quit,
Hoping for the words, "Looks Like We Made It!"

FOOTBALL

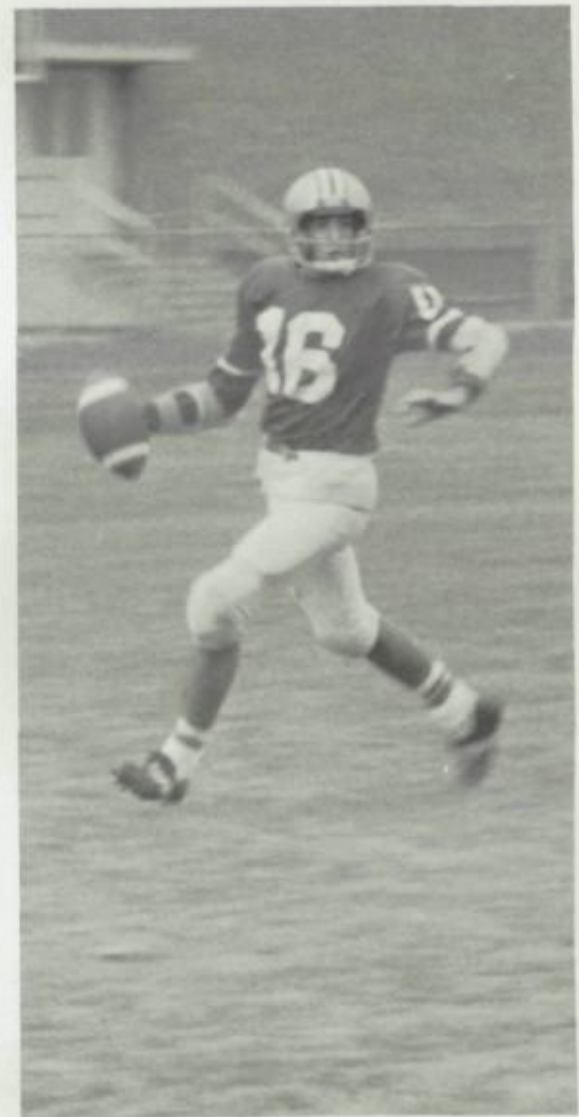

The football team displayed tremendous effort and determination despite their 0-10 record. The boys wanted to win but lacked the experience and support needed to make this happen. Despite their winless season, the boys faced each game with equal determination. They were hindered by injuries all during the season. Many valuable players were hurt and had to be sidelined. Hopefully, what the '77 team endured will contribute to more successful seasons.

HOCKEY

With seven returning letter-women, the Field Hockey Team continued its winning style during the 1977 season, ending with a 9-3-1 record and placing third in the Blue Hen Conference. The highly skilled, hard-working girls were led by Co-Captains, Joyce Coogan and Dianne Morrison. The Redskins were able to complete such an enviable season due to the well-balanced playing of all members.

The highlight of the season came in the eleventh game when the highly spirited team defeated previously unbeaten Dickinson 2-1.

SOCCER

The soccer team showed a great deal of spirit and determination this year despite their 1-9-1 record. This high morale is a credit to each and every player on the team. Says Coach Ferrario, "It is very satisfying to see such qualities in a group of young men. With attitudes like this the future looks very bright. I wish this spirit and pride would spread throughout the entire school."

The Cross Country team may not have had a winning season (2-9) but, nonetheless, there were many highlights and exciting moments, according to Coach David Williams. Due to lack of participation and an inexperienced squad, the boys' basketball team could not produce a winning record. The boys do, however, deserve congratulations for their determination and perseverance during the season. BASEBALL

The baseball team finished their season just about as was expected. Pitching inconsistencies hurt them, but the hitting held up until the last four games of the season. They had a chance for the state tournament until they lost their last few games. Says Coach Davies: "I enjoyed the relationship with the players, and I hope they feel the same towards me. SOPHOMORES

When you start at the bottom,
You must work your way up.
You have old friends and you make some new . . .
It looks like a long way to the top.
You've got tests, homework, and notes to jot.

BUT . . .

You're making friends and having fun
Besides doing the work that has to be done.

As you sweat out the next two years,
It won't be so bad.
Junior high has come and gone
With all the fun you had.

Just keep on working and never quit
Till it's your turn to say, "Looks Like We Made It!"

STUDENT LIFE

When the day is over
And all the work is done,
There's no practice or detention,
Just time for a little fun.

BUT

For some it's off to work
Where the hours are quite late,

Or it's some night with a dance or game.
All your friends will be there,
Cheering, laughing, drinking a coke.
Some are outside catching a smoke.

The gym is full; the lights are lit.
Everyone's shouting, "Looks Like We Made It."

In front of an enthusiastic crowd during half-time of the Conrad vs William Penn football game, Linda Padovani was crowned 1977 Homecoming Queen. She received the crown from the 1976 Queen, Connie Burns. Along with the ten other girls on the Court and her escort, Michael Padovani, Linda attended the dance held in the Conrad gymnasium, an event enjoyed by all who attended it.

ROCK-N-ROLL

On January 26 and 27 1978, the Sock-n-Buskin Club presented a nostalgic musical entitled ROCK-N-ROLL under the direction of Mr. Morgan with the assistance of Mr. Naughton. The cast presented the play first to the school and later to an open audience of adults and students.

Dear Redskins:

So many changes have occurred this year and will next year that we felt THE CONRADIEN should reflect these changes. This is our last year before desegregation and, possibly, our last year with Conrad at all.

Therefore, to choose our theme, we felt the words Barry Manilow sings so well—"Looks like we made it."—would also signify the feelings at Conrad. This thought applies to everyone—from the newest sophomore to the oldest faculty member. Athletes and juniors, rabs and heads, sophs and teachers—all can identify with "making it."

It also looks like we made it through the Winter of '78. Who would ever have predicted that we would reach new heights in the number of days Conrad High would be closed? Too much snow and not enough oil made their contribution to a winter we'll never forget.

And, speaking of contributions, the entire yearbook staff wishes to thank everyone—administrators, teachers, custodians, cafeteria workers, students, and parents—for their help. Looking back to when we started on this yearbook, we can only gasp with the rest of you and gratefully sigh: "Looks like we made it!"

Sincerely,

Mary Fagan & Donna Grier
